adapted well to the changing market dynamics, and therefore remains well-positioned for future growth as well," says Anuj Puri, Chairman - ANAROCK Property Consultants. The top three emerging areas in the city based on the new supply and the inherent demand by prospective buyers include Kanakapura Road and Electronic City in south zone and Devanahalli in the north. As

per ANAROCK data, Devanahalli is seeing a spurt in real estate activity since 2017 with major builders like Embassy, Salarpuria Sattva and Ozone launching their residential

projects. The area has garnered the interest of buyers due to its proximity to the airport and ample land availability, which has helped in ensuring good supply. Electronic
