ROOM STORY

The built up area is roughly about six acres and it houses 305 modern rooms including 11 plush suites. Each room is well-equipped with modern day amenities and professional services. The hotel has three classes of rooms including the Superior

Room, that is spacious and comes with one queen sized bed or two single beds, an attached bathroom, work table and has either a countryside or pool view. The other rooms are on the executive floor that have the premier executive rooms that have all the amenities

plus access to the Premier Lounge with complimentary refreshments, cocktails and tea and coffee in the happy hours (in the evening from 6:00 p.m. to 8:00 p.m.). This apart, there are suites which come with their own living area, common powder room and a large bedroom. Some suites also have their own balcony. The rooms are serviced in the morning and evening and you will find a hand written note from the housekeeping staff letting you know of the same! In fact, you can call for any additional amenities you need and if you have a specific brand preference, of say toothpaste, the staff is happy to arrange for the same. If you are travelling with children, this is a great place to be in as the hotel has designated safe play areas and balanced children menus as well. Being close to the city, they hotel also offers a day package for people who want to use the hotel and its facilities for the day instead of an overnight stay.
